I also understand that there is no definitive way to completely eliminate potential exposure.

By signing this form below, I agree that I will not hold the Practice or any of its doctors or staff personally responsible should I, or someone I came in contact with, becomes positive or presumptively positive diagnosed with the COVID-19 virus. There are certain inherent risks associated with an eye exam during a pandemic and I assume full responsibility for personal illness that may result and further release and hold harmless the Practice and its doctors and staff for injury, loss or damage arising out of my visit.

I understand that the COVID-19 virus can lead to illness, disability, or even death and I knowingly take the risk of exposure as I deem my exam to be essential to the maintenance of my vision.
